Veterinary Medicines

# MATERIAL SAFETY DATA SHEET

**Product Name: SYKES DRENCH**

Issue Date: March 2002 Page 1 of 2

**Not classified as hazardous according to criteria of NOHSC Australia**

Company: Sykes Vet International Pty Ltd,  
Address: 97/40 Popes Rd., Keysborough Vic 3173  
Telephone: (03) 9701-5044  
Emergency Telephone No.: (03) 9701-5044 or 0438 772 690

Product Name: SYKES DRENCH  
Other Names:  
Manufacturer's Product Code: 9  
UN Number: None Allocated  
Dangerous Goods Class: None Allocated  
Subsidiary Risk: None Allocated  
Hazchem Code: None Allocated  
Poisons Schedule Number: Not Scheduled  
Use: Purgative Drench with some mineral replacements

## PHYSICAL PROPERTIES / DESCRIPTION

Appearance: Red granular powder  
Boiling Point/Melting Point:  
Vapour Pressure:  
Specific Gravity: N/A  
Flashpoint: Non-flammable  
Flammability Limits:  
Solubility in Water: soluble  
pH: 6.5 – 8.0

## OTHER PROPERTIES

### INGREDIENTS

Chemical Entity	CAS Number	Proportion
Magnesium Sulphate	7487-88-2	86.75%
Cobalt Sulphate	10124-43-3	0.15%
Copper Sulphate	7758-98-7	0.3%
Ferric Oxide	1309-37-1	0.73%
Calcium Hydroxide	1305-62-0	0.87%
Aloes	5133-19-7	2.5%
Ammonium Sulphate	7783-20-2	8.7%

## HEALTH EFFECTS

### Acute

**Swallowed:** May result in nausea, vomiting and diarrhoea

**Eye:** May cause redness or stinging if accidental eye contact occurs

**Skin:** Generally regarded as non-irritant. However, persons with sensitive skin or continuous contact are advised to wear suitable gloves.

**Inhaled:** Overexposure may lead to mucous membrane irritation of the nose and throat, with persistent coughing.

**First Aid** If poisoning occurs, contact a doctor or Poisons Information Centre, Ph: 13 11 26.

**Swallowed:** Rinse mouth with water. Give large quantities of water or bland fluids to drink. DO NOT induce vomiting. Seek medical attention. Show this MSDS to a medical practitioner.

**Eye:** Immediately flush eye with plenty of water for at least 15 minutes

**Skin:** Wash skin with soap and water. Remove all contaminated clothing

**Advice to Doctor** Treat symptomatically

**Exposure Standards:** Not applicable for normal use

**Engineering Control:** Not applicable for normal use

**Personal Protection:** Not applicable for normal use

**Flammability:** Sykes Drench is a non-flammable powder

**Storage:** No special storage requirements. Store below 30°C. Store in original container tightly closed. Store away from foodstuffs. Protect from light.

**Transport:** Sykes Drench is not classified as a Dangerous Good for the purpose of road or rail transport.

**Spills:** Slippery when split. For small spills, wipe, then wash area to drain with excess water. For large spills, sweep then wash. Collect and seal in properly labelled containers for disposal. Wash area to drain with excess water.

**Disposal:** Refer to the relevant State Land Waste Management Authority

**Fire/Explosion Hazard:** Sykes Drench is non-flammable. In severe fire may give off toxic or irritant fumes
