# ECLIPSE

## CONCENTRATED LAUNDRY POWDER

### DESCRIPTION

ECLIPSE is a free flowing white powder combining a blend of powerful cleaning agents, detergents and speciality optical brighteners. ECLIPSE ensures maximum cleaning performance on all soils encountered leaving fabrics clean and bright with a fresh residual fragrance.

### APPLICATION

ECLIPSE can be used in all types of washing machines, front and top loading to remove a wide range of household stains including grease, fat, blood, oil, dirt and perspiration. ECLIPSE is also suitable in industrial washing machines for use in on premise laundries such as nursing homes, motels and hotels.

### FEATURES

- \* Concentrated powder 100% active
- \* Controlled foam characteristics
- \* Optimised levels of optical brighteners
- \* Excellent cleaning results in hot or cold water
- \* Contains a speciality substantive perfume
- \* Contains water softeners

### BENEFITS

- \* Provides a quality low cost wash.
- \* Suitable for top and front loading machines.
- \* Ensures maximum whiteness and brightness is attained.
- \* Provides flexibility of wash temperature and energy savings.
- \* Leaves a fresh residual fragrance on the fabric.
- \* Suitable for all hard water conditions

### DIRECTIONS FOR USE

1. Dilute Eclipse Concentrated Laundry Powder in cold to warm water.
2. Do not add direct to clothes.
3. Normal soil 1 scoop into a 5kg load. Heavy soil 2 scoops into a 5kg load.
4. Rinse items well then air dry.

### AS A PRE-SOAKER

1. Dilute 1 scoop into 10 litres of water.
2. Allow to soak.
3. Wash items under normal conditions.

### HEALTH AND SAFETY INFORMATION

See separate MSDS available on request.

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied.

Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.
