EXEL DET LIQUID GENERAL PURPOSE DETERGENT

DESCRIPTION

EXEL DET is a concentrated neutral liquid detergent for use in hand dishwashing applications and in a wide variety of manual cleaning operations.

EXEL DET is a clear yellow lemon fragranced liquid.

EXEL DET has been formulated to be highly cost effective in use.

APPLICATION

EXEL DET has a wide variety of uses including hand dishwashing operations in all institutional areas such as hospitals, food service, clubs and restaurants.

The highly active biodegradable synthetic wetting agents in EXEL DET ensure that the toughest soils and grease are removed to leave crockery and cutlery sparkling clean.

BENEFITS

- Phosphate free formulation to protect the environment.
- Highly concentrated to ensure economy in use.
- Neutral pH ensuring EXEL DET is safe to use on all surface including aluminium.
- Free rinsing and self draining leaving crockery and cutlery streak free, water spot free and sparkling clean.
- Mild on hands.
- Penetrates soil quickly and rapidly emulsifies all food soils and grime.

DIRECTIONS FOR USE

As a hand dishwashing liquid use at the rate of 5 mls per litre of hot water.

As a general purpose cleaner for washing cars, paintwork and floors, use rate will vary from 5 to 20 mls/litre dependent upon the type and amount of soil to be removed.

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied.

Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.
