HAPPY NAPPYS NAPPY WHITENER

DESCRIPTION

HAPPY NAPPYS is a white free flowing oxygenated bleaching powder used for cleaning and whitening of nappies.

APPLICATION

HAPPY NAPPYS has been specifically formulated for cleaning of children's nappies. HAPPY NAPPYS is a particularly effective bleaching agent and is suitable for use on a wide range of white and coloured fabrics.

BENEFITS

- Bleaches thoroughly and evenly
- Non chlorinated bleaching powder
- Suitable for use on white, coloured worked and mixed loads
- Free rinsing
- Highly economical in use

DIRECTIONS

Add 50g of HAPPY NAPPYS to 10 litres of warm water and allow items to soak in solution overnight. Follow with normal laundry wash the next morning. Note that it is important to pre-test coloured fabrics to ensure they are colourfast.

PACKAGING

- ◆ 6 x 2kg Polyethylene Containers
- ◆ 20kg Polyethylene pails

HEALTH AND SAFETY INFORMATION

See separate Health and Safety Data Sheet available on request.

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied.

Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.
