ORA GRIT HEAVY DUTY HAND CLEANER

DESCRIPTION:

ORA GRIT is a clear orange gel based on natural citrus solvents. It combines polyethylene microscrubbers with emollients and an antiseptic agent to effectively remove heavy greases, oil, dirt, carbon and other associated soils found in industrial workshops. The unique abrasive agent ensures any ingrained soil is removed effectively and quickly while retaining the natural suppleness of the skin.

APPLICATIONS:

ORA GRIT is suitable for applications where heavy soiling is encountered on the hands. These include workshops, garages, maintenance areas and printing works.

FEATURES:

- Citrus solvent based
- Contains a unique abrasive system
- Enriched with emollients

- Contains antiseptics

- Free rinsing

BENEFITS:

- No unpleasant solvent odours
- Removes the toughest ingrained soils
- Prevents skin dryness and cracking which leads to dermatitis
- Aids in the prevention of cross infection
- Leaves hands clean and dry without any sticky residues

DIRECTIONS FOR USE:

Apply ORA GRIT to the hands and work in well until grease and oils are dissolved. Rinse off thoroughly with water or wipe hands with a clean towel or paper cloth.

Note: To retain ORA GRIT at its peak effectiveness, store in a cool place with the lid tightly closed.

HEALTH & SAFETY INFORMATION:

Refer separate Material Safety Data Sheet

PACKAGING:

*4kg Tin *18kg Drum *Dosing pumps are also available to fit both containers.

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied.

Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.
