VACUUM PUMP OIL

DESCRIPTION

TASMAN VACUUM PUMP OIL is blended from quality virgin oil to provide a high quality low cost product.

APPLICATION

TASMAN VACUUM PUMP OIL is suitable for use in both high and low speed vacuum pumps.

BENEFITS

- Blended from premium quality oils.
- Suitable for both low and high speed vacuum pumps.
- Oil resists oxidation and corrosion while providing optimum lubrication to gear and hydraulic mechanisms of vacuum pumps.

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied.

Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.
